- React Js
- JavaScript
- Express.js
- MongoDB
- HTML
- CSS
- GitHub
- Adoube Photoshop

## LANGUAGES

- English
- Tamil
- Telugu
- Kannada

## PROJECTS

### Title : E-commerce Website for Clothing

- Description: Developed a comprehensive e-commerce platform tailored for selling clothing for men, women, and kids. The platform is designed to offer a seamless shopping experience with a user-friendly interface, robust back-end, and scalable architecture.
- User Authentication and Authorization: Implemented secure user registration and login functionality using JWT JSON Web TokensEnabled role-based access control for users (admin, customer),
- Developed a dynamic product listing page showcasing a variety of clothing items for men, women, and kids. Implemented product categorization, filtering, and search functionalities,
- Shopping Cart and Checkout: Created a shopping cart system allowing users to add, remove, and update items. Implemented a secure and intuitive checkout process, integrating payment gateways for seamless transactions.
- Admin Dashboard: Created an admin dashboard for managing products, categories, orders, and user accounts Implemented analytics and reporting features for sales data and user activity.

### Title : Blood Bank Management system (Clone - Frontend)

- Description : A React-based clone of the Indian eRaktkosh project, this Blood Bank Management System efficiently manages and tracks blood donations.
- With a user-friendly interface, it allows seamless donor registration, real-time inventory monitoring, and streamlined communication between donors, recipients, and healthcare providers.
- This system enhances the overall efficiency of blood donation processes while promoting transparency and accessibility in the Indian healthcare system.
- (eraktkosh.in) as a TEAM project.

## EDUCATION

### Bachelor of Engineering in Computer Science and Engineering

Adhiyamaan College of Engineering, Hosur, Tamil Nadu (2020 - 2023)

- Secured 7.8 CGPA.

### Diploma in Computer Science

Diploma in Computer Science, Krishnagiri, Tamil Nadu (2019)

- Secured 73%

### Secondary School Leaving Certificate (10th Std)

Govt HS Settipalli (2014)

- Secured 54.9%

## SOFT SKILLS

- Continuous learning and adaptability to new technologies,
- Time management,
- Problem-solving involves the ability to come up with alternative solutions,
- Perform effectively in a deadline environment.
